Screenshot 5:

Error

SQL query: Copy

```
INSERT INTO enrollments
    (student_id, course_id, enrollment_date)
VALUES
    (999, 1, CURRENT_DATE());
```

MySQL said:

```
#1452 - Cannot add or update a child row: a foreign key constraint fails
(`laravel_lab2_db`.`enrollments`, CONSTRAINT `enrollments_student_id_foreign` FOREIGN
KEY (`student_id`) REFERENCES `students` (`id`))
```

Explanation:

It was not able to add or update since there is no student id that has id value of 999 in the students table.

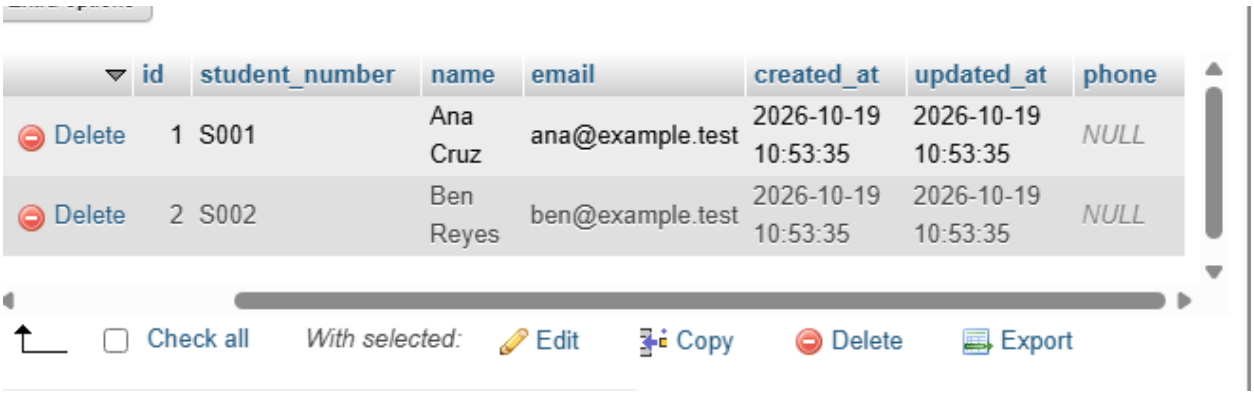

Screenshot 6:

```
